

12th NATIONAL RETROSYNTHESIS COMPETITION

7 MARCH 2025 | SCI[®] LONDON, UK

*SCI[®]'s Young Chemists' Panel, SCI[®]'s Fine Chemicals
Group and RSC's Heterocyclic & Synthesis Group*

12th National Retrosynthesis Competition

For many years, the UK has produced high calibre synthetic organic chemists, able to retrosynthesise complex molecules and natural products then solve the challenging problem associated with the forward synthesis. To celebrate this and to ensure it remains an important skill in the chemist's repertoire, groups from SCI® and the RSC organise the National Retrosynthesis Competition on an annual basis.

Following eleven very successful events, the 12th competition is currently in progress, with the final being held at SCI® in London on Friday 7 March 2025.

This is a unique opportunity to support and celebrate the talent of UK chemists working in academia and industry. With the financial support of sponsors and exhibitors, delegates can attend the competition final in London for free, supporting their early career development and providing excellent networking opportunities with peers at a similar career stage as well as a number of VIP guests including Heads of Chemistry, CEOs of SMEs, CROs and large organisations, MPs and many more influential contacts.

SOCIETY OF CHEMICAL INDUSTRY

The Society of Chemical Industry (SCI®) is a learned society, **established in 1881** to promote the application of chemistry and related science into industry for the benefit of the public.

SCI® was established by a **prominent group of Scientists, Inventors, and Entrepreneurs**; with founder members going on to set up major businesses, producing many of the daily products we recognise today.

The Society is **unique, being a multi-science and multidisciplinary international community**. SCI® works at the interface between science and industry, conducting a range of activities that focus on supporting innovation and the commercialisation of science.

We provide a forum for members to come together to develop commercially viable solutions to some of the biggest challenges facing society today. SCI® places great emphasis on providing support for the next generation of people moving into industrial and applied roles across the chemical using industries.

Opportunities for your organisation

PLATINUM

£1,600 + VAT

** subject to approval of poster material by SCI[®] working to agreed SCI[®] formatting*

- Acknowledged as Platinum Sponsor in the competition final opening remarks
- Registration and refreshments for two delegates as outlined in the programme
- Named in conference materials (including programme) as Platinum Sponsor
- Option to include 1 x double-sided, colour, A4 advert in electronic delegate pack
- Exhibitor stand and furniture package (table, 2 chairs, standard room lighting)
- Opportunity to collaborate with the winning team on scientific poster creation*
- Logo on the SCI[®] event website (URL link) and on screen in auditorium during the event
- Logo and 50 word descriptor (about your company) in the delegate packs
- Logo included on engraved winning trophies

GOLD

£900 + VAT

- Acknowledged as Gold Sponsor in the Competition opening remarks
- Registration and refreshments for two delegates as outlined in the programme
- Named in conference materials (including programme) as Gold & refreshment/reception sponsor
- Option to include 1 x double sided colour A4 advert in electronic delegate pack
- Exhibitor stand and furniture package (table, 2 chairs, standard room lighting)
- Logo on the SCI[®] event website (with URL link) and on screen in auditorium during the event
- Logo and 50 word descriptor (about your company) in the delegate packs

EXHIBITOR

£500 + VAT

- Registration and refreshments for one delegate as outlined in the programme
- Logo on the SCI[®] event website (with URL link)
- Exhibitor stand and furniture package (table, 2 chairs, standard room lighting)
- Logo and 50 word descriptor (about your company) in electronic delegate packs
- Option to include insert into delegate packs at reduced rate (see below)

EXHIBITOR LEAFLET INSERT

£500 + VAT

- Double-sided A4 colour advert in electronic delegate packs

** discounted rate available to confirmed exhibitors only*

DELEGATE PACK INSERTS

£300 + VAT

- Double-sided A4 colour advert in electronic delegate packs

BURSARY SPONSOR

£300 + VAT

- Registration and refreshments for one delegate as outlined in the programme
- Logo on the SCI[®] event website (with URL link)
- Option to include double-sided A4 colour advert in electronic delegate packs
